

Equity Document Review Checklist Non-Regulatory Guidance for School Districts 2017-2018 Equity Visits

Documents for Desk Audit

Items included within the “Desk Audit: Items for Electronic Submission” section are to be submitted by the district in electronic format to the equity team leader for review at the Department **two weeks** prior to the visit. Electronic documents will be submitted to a dedicated Google site unless prior arrangements are made with the team leader.

- Whether or not the submitted items meet compliance requirements will be determined as of the date of submission.
- Electronic submission documents should be labeled by the corresponding item numbers/letters (e.g., I.A.1) on the checklist.

Guidance Regarding All Board Policies:

District policies must be adopted by the school board and must be included in the official Board Policy Book. The Iowa Association of School Boards (IASB) sample policies indicated below are provided as a reference only. While it is common to find districts that use this service from IASB, there is no requirement that a district do so. If a district does use the IASB samples, care should be taken to “localize” the content to assure alignment with district practices.

Guidance:

Section IV of the *1979 Guidelines for Eliminating Discrimination in Vocational Education Programs* requires recipients of federal funding that operate vocational education programs to provide an annual notice of nondiscrimination prior to the beginning of each school year to:

- Students
- Parents
- Employees
- General public

The annual notice of nondiscrimination must include a brief summary of the recipient's program offerings and admissions criteria for career and technical education programs. It shall also include the name, address and telephone number of person(s) designated to coordinate Title IX and Section 504 compliance. Announcement of this policy of nondiscrimination must be published in forums that will allow the entire public to view it, such as:

- Local newspapers
- District publications
- District website, and/or other media that reach the general public, including program beneficiaries, national origin persons with limited English language skills, and persons with disabilities.

Program offerings and areas of study are defined as the six service areas:

- \ Family and Consumer Sciences Education

- \ Marketing Education

If the district/agency's service area contains a community of national origin minority persons with limited English language skills, the annual notice must be disseminated to that community in its language and state that recipients will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in the recipient's CTE programs.

The nondiscrimination notification statement must reflect the protected classes included within the district's equal opportunity in programs (student) and nondiscrimination in employment policies, which also address Iowa Civil Rights legislation requirements. These include race, color, age, national origin, sex, sexual orientation, gender identity, marital status (for programs), socioeconomic status (for programs), disability, religion, and creed. The notification must include a statement that the district has a grievance procedure for processing complaints of discrimination as well as the name, title, address and telephone number of the equity coordinator(s). If the district's service area contains a community of national origin minority persons with limited English language skills, public notification materials must be disseminated to that community in its language.

B. Continuous Notice of Nondiscrimination

1. Continuous Notice of Nondiscrimination in major written publications: Continuous notification requirements may be met by prominently publishing the nondiscrimination statement in:

These include race, color, age, national origin, sex, sexual orientation, gender identity, marital status (for programs), socioeconomic status (for programs), disability, religion, and creed. The notification must include a statement that the district has a grievance procedure for processing complaints of discrimination as well as the name, title, address and telephone number of the equity coordinator(s). Related IASB Sample Policies: 102 series (last updated 2015)

Guidance:

Districts must adopt and publish grievance procedures providing for prompt and equitable resolution of complaints alleging discrimination. Students, staff, parents and appliances for employment must be made aware of the grievance procedures and forms.

2. _____ Policy prohibiting harassment and bullying of or by students, staff, and volunteers which is based on actual or perceived age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes, physical or mental ability or disability, ancestry, political party preference, political belief, socioeconomic status, or familial status and which creates an objectively hostile school environment. *281—IAC 12.3(13), Title IX Section 106.31, Iowa Code 280.28(3) and 729A.1*

Guidance:

Harassment and bullying is construed to mean any electronic, written, verbal, or physical act related to the specified traits or characteristics stated above. The local board policy must contain all of these 17 traits or characteristics, but does not need to be limited to these 17.

According to Iowa Code 280.28(3): On or before September 1, 2007, the board of directors of a school district and the authorities in charge of each accredited nonpublic school shall adopt a policy declaring harassment and bullying in schools, on school property, and at any school function, or school sponsored activity regardless of its location, in a manner consistent with this section, as against state and school policy. The board and the authorities shall make a copy of the policy available to all school employees, volunteers, students, and parents or guardians and shall take all appropriate steps to bring the policy against harassment and bullying and the responsibilities set forth in the policy to the attention of school employees, volunteers, students, and parents or guardians.

If a single policy is used, a reasonable person must be able to interpret the policy as covering student vs. student, student vs. staff, staff vs. staff, and staff vs. student issues.

II. Recruitment, Admissions and Counseling

A. Admissions Criteria

1. _____ High school course handbook/registration guide and master schedule.
OCR Guidelines Sections IV.A, IV.F, IV.K, and IV.N; 34 C.F.R. §§100.3(a) and (b)(1)(v), 104.4(a) and (b), and 106.21

Evidence:

A Course Description Guide should contain general information including graduation requirements and an explanation of the grading system. The guide should include a description of each CTE program, the number of credits available, and any prerequisites. All students must be eligible to take CTE courses, (although some courses may state a specific grade level requirement) and may not use criteria based on race, color, national origin, sex or disability.

Note:

If the district delivers any part of its CTE program through sharing agreement(s) with another district, additional information may be requested during the on-site visit to verify the agreements are functional, including the following:

- ✓ Current student enrollment, disaggregated by sex, for shared program(s). Provide the enrollment for all districts involved even if the enrollment for one district is zero.
- ✓ Course registration guide.
- ✓ High school master schedule.

Courses must be advertised to students regardless of where the course is held (i.e., inside or outside the district). The issue here is access; students must be aware of course offerings provided through sharing agreements and must not be discouraged from attending.

B. Access for National Origin Minority Students with Limited English Language Skills

1. _____ Course descriptions are available to students and prospective students, including limited English-speaking students, prior to and during registration. *OCR Guidelines Section IV.L*

Guidance:

Course descriptions are free of discriminatory language based on race, color, national origin, sex or disability. Language in course and program descriptions encourages the participation of students in career and technical courses and programs where their group has been under-represented.

C. Counseling and Prospects for Success

1. _____ Materials and practices to ensure counseling procedures are free of stereotyping in language, content, and illustration and do not contribute to disproportion in CTE enrollment. *OCR Guidelines Sections V.A and B; 34 C.F.R. §§100.3(a) and (b); 104.37(b), and 106.36*

Evidence may include:

- _____ Four-Year planning documents

D. Counseling of Students with Limited English Speaking Ability or Hearing Impairments

1. _____ Counseling services are provided to all students. *OCR Guidelines Section V.D; 34 C.F.R. 100.3(a) and (b) and 104.37(b)*

Evidence must include:

- _____ Procedures to ensure students of limited English Speaking Ability benefit from counseling services.
- _____ Procedures to ensure students with hearing impairments benefit from counseling services.

E. Recruitment and Promotional Activities

1. _____ Attendance center and course enrollment data, disaggregated by sex, race, color, national origin, and disability are reviewed annually (**EQ3**). *281—IAC 12.1(1) OCR Guidelines Section V.A, V.C and V. E; 34 C.F.R. § 106.23*

Evidence:

The district **must** provide the following:

- _____ Attendance center, program, and course enrollment data disaggregated by sex, race, color, national origin and disability for the last 3 years. (data from EdInsight or student management system)
- _____ A description of how these data are collected and used, with what frequency, by whom, and for what purposes. Such as meeting agendas, calendars, powerpoints, data days, or training action plans.
- _____ A summary of attendance center, program, and course enrollment-related trends noted over the past three years (data from EdInsight or student management system can be used to develop/study trends).
- _____ A summary of steps taken to increase participation in programs where disproportion was found.

The intent is to provide greater clarity regarding how the district is addressing the “reviewed annually” requirement.

Guidance:

Collection of “count” data for the indicated categories is most likely completed through the district’s student management system and partially reported through BEDS. It is appropriate for districts offering multiple sections of content-specific courses at other levels (e.g., grade 8) to provide these data as well as this would help determine equity in student placement practices. It is not uncommon for districts to provide course-level disaggregated data for sex only as this is a common report feature on student management systems, but the requirement is for data to be collected and reviewed for each stated category (i.e., sex, race, and disability).

2. _____ Policy governing student pregnancy and parental status *OCR Guidelines Sections IV.N and VI.A; 34 C.F.R. §§ 104.4(a) and 104.33-104.36; 28 C.F.R. § 35.130*

Guidance:

An Excel spreadsheet will be provided at the Equity Orientation and will be available on the DE website under “[Equity Education](#).” The district will complete the information and submit the completed spreadsheet to the DE at least two weeks prior to the start of the visit. The spreadsheet contains data not available through other sources at the DE, including the “Physical Accessibility of Facilities” chart which needs to be completed to determine compliance with Section 504/ADA Standards.

2. _____ Accessibility Self Study (Optional)

Evidence:

_____ Periodic self-evaluations of the accessibility of programs and facilities to students, to staff, to parents, and to community members with disabilities.

_____ A written plan, which describes how the programs and services in those buildings or areas of buildings that still remain inaccessible are made available to students, to staff, to parents and to community members with disabilities.

- _____ Procedure to provide notice of scholarships, honors, or awards to student body.
- _____ Procedure to ensure national origin minority persons with limited English language skills receive information in their own language.
- _____ Foundation or scholarship committees working closely with the district include nondiscrimination notice on materials.

Guidance:

Education agencies shall not limit honors, awards and scholarships to a group on the basis of race, color, national origin, sex or disability unless such targeting is done to provide opportunities to members of a group that has traditionally not been represented. Outside agencies that provide awards are to be notified of the agency's nondiscrimination policy.

Section VII: Work Study, Cooperative Programs, and Job Placement

1. _____ A list of workplace based education programs; the contracts with all employers or other sponsors offering work-study, cooperative education, job placement, and apprenticeship programs; and the application materials that students complete to obtain these positions. *OCR Guidelines Sections VII.A and B, 34 C.F.R. §106.38(a)*
